Careers after BWS

The BWS Foundation has two main aims at present.

First, we want to help all Wordsworthians in their future careers by finding and offering Internships, Apprenticeships and Professional Experience. These can be for recent BWS-leavers, BWS undergraduates and graduates. **BWS Parents! Make sure your family knows!**

Second, our BWS Corporate Partnerships Scheme exists to offer companies and individuals ways to help BWS develop its buildings and facilities.

Do you have information or contacts that might help?

Your own company or business might be able to offer internships.

Your company might want to benefit from the Marketing and PR opportunities of our BWS Corporate Partnerships Scheme.

Current Internship offers - do apply or pass on this information

Entrepreneurship and setting up your own business.

This will possibly be based in The Shard.

Salisbury bespoke, design and build construction company (Wordsworthian Managing Director) wants to employ and train up two 18-year olds, with a view to a lifetime career in design and construction projects.

In general, just send an enquiry (bws.foundation.experience@gmail.com) to see if we have offers in a particular profession that interests you. It's as important to find out whether a profession *doesn't* appeal to you, as finding one that does. These openings can help you in making such decisions about your future.

Can you help finding an Organisational / Sports Psychology internship?

A Wordsworthian is very keen to gain experience before going to university.

Contact: rtc@bws.wilts.sch.uk

Why do an internship?

George Jackson (BWS 2008-15) had a successful internship in a Private Equity Firm, Mayfair that led to a full-time professional position.

George Jackson tells you about his experience - go to page 85 of the latest Wordsworth 2019 magazine on the BWS website. Also find more about the Foundation from page 82.

What is the BWS Corporate Partnership offer?

BWS has a reputation for matching a private school education despite being only state-funded. This reputation comes from academic, sporting, extra-curricular achievements, and from the achievements of Wordsworthians themselves.

BWS Corporate Partners benefit from joining us at three Levels:

Level 1 "Exclusive"

"Exclusive" means there is only one partner company per sector at any one time, e.g. 1 estate agent; 1 insurance company; 1 car dealership, 1 legal firm, 1 pharmaceuticals, 1 construction company.

a) ***Company hyperlink-logo*** on the BWS website, Events & Foundation newsletters, publications. [BWS & Community comprises **A, B, C income groups** - local, national, international]

b) ***Free entry to B2B/B2C*** networking, social events for 2 company members:

e.g. golf day / drinks & nibbles receptions / race day / Speaker event / BWS Summer Ball / Talks / Conferences / Careers - Business Fairs

c) ***Display your own banners or signs*** at sports, events, talks, conferences

d) ***Corporate Social Responsibility*** can be demonstrated and publicised

e) ***BWS societies*** are very active, offering PR opportunities locally and nationally

Level 2 "Full Partner" - includes all the benefits of Level 1

The significant and exceptional benefit is the unrivalled publicity and PR campaign potential of having your company name on an existing building / hall / room where it will gain public exposure at events, visits and can be used by you in your own promotional campaigns.

Level 3 Extraordinary Corporate Partner

These partners have proposed specific offers in being associated with BWS.

BWS and Wordsworthian good deals

Our three nearest hotels have all agreed to offer special deals for Wordsworthians and those associated with BWS. This invitation is all-year round, and not connected to specific events.

The benefits will depend upon availability but include a discounted room rate; an upgrade; a free drink or breakfast,

You will need to contact the hotel personally, saying that you are part of BWS - parent, Wordsworthian, Staff, Friend through activities etc. - to make the booking and receive the relevant benefits.

Toucan Tech

This will eventually be our BWS contact system so expect messages from a Toucan!

Wordsworthians (W's) - in case you hadn't heard, we're all Wordsworthians. You will still be an OW member of the OWA, and a BOB to your old friends. But, with girls in the 6th from Sept. 2020, we clearly couldn't refer to them as BOG's!

6th Form Girls Sept. 2020 - a new prospectus is already in the making

Cricket Match: BWS v Combined W's & Parents - can you play?

A match is proposed for Saturday 13th or Sunday 14th July, during the Summer Marquee Season. Do let me know if it's a possibility for you: rtc@bws.wilts.sch.uk

BWS Travels - going *extra muros*

As a Wordsworthian or with a connection to BWS, do turn up and make contact when BWS is travelling through your part of the world. This year the BWS Choir has already toured the Netherlands; the Geographers and Geologists have been to The Gower Peninsula; prospective BWS candidates have visited Oxford & Cambridge; our Artists have been to Rome; Historians have visited Berlin, amongst many trips.

Special Fastnet Reunion Event

Fastnet 10th Anniversary Crew Reunion 3rd August 2019

10 years ago BWS entered a team in the Fastnet Race, organised by Terry Gilmour, previously BWS PE Department; now Director of Rugby at Marlborough College.

A 10th anniversary get together is planned for the crew of the yacht, including 19 boys, Terry Gilmour (skipper) and other crew members from OnDeck, the logistics company who helped with the project. First off is a meal in Salisbury, then the following day the group will spectate at the start of the 2019 Fastnet Race aboard a couple of RIBs (fast motor boats). Then, a restaurant meal on the Isle of Wight.

Capital Building Projects

In the planning stage particularly is a new Science Centre - to include a Science Lecture Theatre. Plans allow the possibility of incorporating a Dining Hall-Conference Venue with an outdoor courtyard. Clearly BWS & Foundation will need all the financial help - Corporate and Individual - we can muster. We already have an excellent science reputation through current Wordsworthians and the achievements of the BWS societies in Science and Engineering. And that's despite being in an old building with a temporary laboratory building alongside.

Reminder of Foundation Events in June and July

Contact: rtc@bws.wilts.sch.uk

June, Thurs. 20th: Annual Wordsworthian Summer Drinks Reception

E. India Club, London 6.30–8.30pm. No tickets necessary, just let us know.
