Would you like to work at a school where the pupils are actively engaged, want to learn and with minimum disruption in lessons? This is an exciting opportunity to join our popular, welcoming and academically successful Science Faculty in which our outstanding examination results reflect an engaging curriculum experience and a real commitment to teaching and learning.

We are looking for an enthusiastic and experienced Biology Teacher with a real drive and enthusiasm for science together with the motivation and subject knowledge to be able to challenge and inspire. The successful candidate must be a team player and will be expected to take an active involvement in the Science Faculty programme, playing a key role in this high achieving and successful department and in school life in general. The ability to teach Science at KS3 with Biology at KS4 and KS5 is essential. Career progression opportunities for the right candidate might be available.

In return we offer a highly competitive rewards and benefits package including:

- A comprehensive program of CPD
- An engaging and inspiring Head of Department where wellbeing is key
- The support of a highly experienced friendly team
- Well-motivated and able students
- Engaging curriculum experience
- STEM enrichment opportunities
- Access to onsite sport facilities
- Cycle to Work scheme
- Teachers' Pension Scheme
