THE SCHOOL

HISTORY AND TRADITION

Bishop John Wordsworth intended that his school should provide a centre of academic excellence in the heart of Salisbury. Since 1890 Bishop's has fulfilled that mission, and today we educate 1,190 students aged between 11 and 18 including approximately 138 girls in our now fully co-educational sixth form. In the shadow of the Cathedral spire our eclectic buildings span the seventeenth to the twenty-first centuries, reflecting the school's heritage. This creates a very special atmosphere in which students are conscious, on a daily basis, of their part in a long tradition of academic endeavour.

ADMISSIONS

As a Church of England Grammar School and Academy, we set our policy on admissions and choose our 11+ entrance exam provider. We admit 160 boys who have passed the 11+ exam into year 7 each September and our Sixth Form admits around 200 students who have achieved the required academic standard in year 12. Any student living within reasonable travelling distance of Salisbury is welcome to apply and students from the broadest range of schools and backgrounds thrive here. Further information about the structure of the school is on page 5.

EXTRA-CURRICULAR

A broad extra-curricular programme helps students to understand more of the world, enabling them to challenge themselves and thereby grow as individuals. We provide many and varied opportunities so that every student has the chance to find new interests and achieve great things. We value equally the commitment of students who give their best to an activity they enjoy.

HIGH EXPECTATIONS AND HIGH ACHIEVEMENT

Bishop's is one of the best-performing schools in the country and outstanding levels of success are part of everyday life. We never take this for granted, however, and continuously support and encourage our students to commit themselves fully to all that they do. Well aware of our expectations, students relish the opportunity to aim high and achieve their goals. Every student is encouraged to find something at which they excel and to develop their self-confidence.

CHRISTIAN VALUES

Our church school ethos permeates the fabric of life here – from regular worship in the cathedral and our chapel, through religious education, to the way we operate as a community. We welcome students of all faiths or none, but the Christian values of respect and tolerance for all, provide a moral compass that influences everyone, both personally and culturally.

SPIRIT OF TOGETHERNESS

As the school motto "Veritas in Caritate" (truth through loving) suggests, consideration and thoughtfulness are central to life at Bishop's. Right from day one, we work hard to make students feel valued and welcome. Within each year there are five tutor groups of around 32 students, led by form tutors. During Year 7 we monitor these groups carefully, knowing that the happier students are, the quicker they will settle in and flourish. If problems arise, the form tutor or the relevant Heads of School are the first point of contact. Heads of School operate an 'open door' policy whenever possible and in our Sixth Form, every student is allocated a personal mentor, closely matched to the individual students' academic specialism.

BISHOP'S STRUCTURE

LOWER SCHOOL (YEARS 7 & 8)

The routine of daily life for Years 7-8 at Bishop's is organised and run by the Lower School Office, which monitors the academic progress of the students and is responsible for their well-being and any pastoral issues. It receives information on all aspects of students' schooling, including rewards and sanctions, so that staff can both support and challenge students to do their best. Students are taught mainly within their tutor groups and follow a common timetable, while departments begin GCSE syllabuses in Year 9. As a minimum, teaching in all subjects follows the National Curriculum and the knowledge, understanding and skills that students acquire lay solid foundations for their future studies.

MIDDLE SCHOOL (YEARS 9 to 11)

The school places great emphasis on ensuring that students achieve the highest academic standards of which they are capable, whilst encouraging them to develop their social, cultural and recreational skills and interests at the same time. This means that we adopt a firm but caring approach to all aspects of school life. The staff endeavour to work closely with parents in ensuring that students spend their time at school profitably but happily.

In the Middle School this policy is carried out by working closely with students and parents on academic, pastoral and career matters and by trying to equip them with a good range of qualifications and skills by the end of Year 11 - whether they go on to enter the Sixth Form or leave the school at this stage. Pastoral care is delivered through the tutorial programme and personal interviews carried out by tutors within our tutorial programme. Impartial Careers Guidance is provided by the School's Careers Adviser and the School Chaplain is also available for counselling and guidance. Members of the pastoral team maintain regular contact with Middle School students and with one another and regularly meet with the Headteacher to discuss students' progress.

SIXTH FORM

We offer outstanding academic opportunities that will allow students to enjoy their chosen subjects and achieve the highest grades. Our experienced subject specialists teach a wide selection of courses, and our aim is both to deliver in terms of results and also build independence in our students. Because of this, Bishop's students are sought after by both universities and employers.

Each year around half of our Year 12 students join us from other schools. Since September 2020, our Sixth Form has been fully co-educational; we currently have 391 students in Years 12 & 13 of which 133 are female. For this current 2023-24 academic year we have accepted 191 new Year 12 students into the sixth form of which 70 are female.

We are also proud of the strong communities and rich opportunities our school offers. Our students enjoy strong friendships, and excel in music, drama and a wide variety of sporting and academic competitions, as well as providing leadership for younger students. They display responsibility, humour and creativity, and contribute freely to the life of our wider local community. Bishop's also has a standing across the globe and students return regularly to bring their huge breadth of experience back to benefit our current students.

BISHOP
WORDSWORTH'S
SCHOOL

ACADEMIC LIFE

Rigour, depth and breadth characterise academic life at Bishop's. Students enjoy being taught by highly qualified subject specialists. Teachers teach so that students do well – but also to extend their knowledge and understanding beyond the narrow confines of exam syllabi.

Throughout, we aim to engender a passion for learning and the development of skills to pursue that passion independently. In and out of school there are countless opportunities for students to develop their academic interests – workshops, lectures, master classes, fieldwork and more. Students regularly take part in school and national competitions, with many gaining success both within and beyond the curriculum.

EXTRA - CURRICULAR ACTIVITIES

TRIPS, OUTDOOR EDUCATION AND CLUBS

As well as the trips to France, Germany and Spain, Bishop's offers students the chance to take part in a wide range of extra-curricular activities. We encourage all students to take part in the rich co-curricular life of the school which enables them to take on leadership roles within the house and prefect systems, to enjoy a variety of sports, to undertake community service and to help support the development of younger students in the school.

For outdoor education enthusiasts, we run residential visits to Pencelli in South Wales, as well as Bronze, Silver & Gold Duke of Edinburgh expeditions. Our Outdoor Adventure programme is designed to challenge students mentally and physically and help them transfer the emotional strength gained from these experiences to everyday life. We aim to provide the pathways whereby each Bishop's student can become a self-sufficient and driven young adult who feels at home within adventure based environments.

Over 40 clubs and societies meet during lunch breaks or after school. A student can become involved in voluntary work locally, play chess, try debating or film-making. The opportunities to experience activities and destinations here and abroad are immense. A willingness to contribute to this range of activities is essential to working at this outstanding school.

MUSIC

Musicians and artists are given the chance to display their skills in various concerts. The music department runs a school choir, orchestra, big band, as well as offering opportunities for chamber groups and music theory and technology sessions.

The school choir is 60 strong, leading all major school services including the monthly school service in Salisbury Cathedral. It performs up to six other concerts in a school year, with one major oratorio which this year was Vivaldi's Gloria. We are committed to providing inclusive, challenging and enriching Physical Education and sporting opportunities, which promote high standards of performance and a positive attitude towards sport and physical activity for life, to inspire and motivate all our students to lead happy, purposeful and responsible lives. We strive for national recognition across a wide range of sports and compete on a local, regional and national level, with a multitude of sports available and success achieved across the board. We also encourage our students to compete outside of school in order to gain an invaluable team and social experience. This enables both Bishop's and the clubs to benefit from a more knowledgeable, experienced and skilled pool of talent.

Competitive sport is in the lifeblood of the school. Rugby, Cross Country, Athletics, Basketball, Soccer, Hockey, Netball, Cricket and more figure in the sporting calendar, with regular fixtures against schools across Wiltshire and the South West of England. While we are justly proud of our outstanding reputation for sporting success both regionally and nationally, we value equally the commitment of students who give their best to an activity they enjoy.
