Dear Parents/Guardians

RE: TUTOR GROUP ALLOCATIONS

When pupils start their careers at BWS, they are assigned to one of five tutor groups: Jewell, Martival, Osmund, Poore, and Ward.

Jewell, Martival, Osmund, Poore, and Ward also represent the Houses that the pupils will belong to as they move up through the school.

All tutor groups are equal; they are not streamlined in any way.

We will be allocating your child to a tutor group within the next few weeks.

If your child already has a link to the school, it would be helpful for us to know. For example, you may wish for your child to be assigned to the same House as their brother who is at, or has previously attended, BWS. Whilst it cannot be guaranteed, we will take this into consideration during the sorting process.

In addition, if your child would like to be in the same tutor group as another pupil please could you let us know. (Maximum of two) Again, we will try our best to accommodate at least one of the choices but cannot guarantee this.

Similarly, if there is any pupil you would not like your child to be in a tutor group with, please could you also let us know, with the reason why.

I would be very grateful if you could complete the form attached and return to the school by email to: pastoralsupport@bishopwordsworths.org.uk by **Monday 3 May 2021**. We will then allocate your son a tutor group. This information will be sent out by email via our Parent Portal **INSIGHT (which is linked to the email address that you supplied when you applied to Bishop's)** with the new student handbook for 2021-22 and any key letters, by Friday 28 May at the latest. However, please keep checking your emails from the middle of May onwards. You will receive an email confirming receipt of this information. If you have issues completing the form, email the information through to me instead.

Many thanks for your assistance and we look forward to meeting your son shortly at the Induction day on Wednesday 30 June 2021.

Yours sincerely

Mrs Elizabeth Jacobs
Pastoral Support Officer
