Qualifying

There are three main conditions a student has to meet:

- They must be personally eligible
- The course must be eligible
- The university or college must also be eligible
- TEF

What student finance is available?

- Tuition Fee Loan
- Maintenance Loan
- University or College Bursaries and Scholarships
- Extra support for special circumstances

Tuition Fee Loan

- Tuition fee level of up to £9,250 per year
- Available to all eligible students
- **Not** based on household income
- Paid by Student Finance England direct to university or college
- Repayable when the student finishes or leaves the course *and students must*
- Apply every year

What is Household Income?

- Student's income
- Parents' income
- Deductions – certain pension payments
£1130 for each dependent child
- Changes in income

Maintenance Loan

To help with living costs - entitlement depends on:

- Household income

proportion **not dependent** on household income

proportion **dependent** on household income

- Where you live while you are studying
- Year of course
- Repayable when the student finishes or leaves the course *and students must*
- Apply every year.

Maintenance Loan	All eligible students can apply for this	Depending on household income you could also get up to	Max. Loan
Studying outside of London and not living with parents	£4,168	£4,776	£8,944
Studying in London and not living with parents	£5,812	£5,860	£11,672
Living in parents' home	£3,314	£4,215	£7,529
Overseas	£4,951	£5,291	£10,242

What will your son be able to borrow?

- Students with household incomes of £25000 or less receive maximum loan
- Students with household incomes above this have their loans reduced.

Outside London - £1 for every £7.79 above £25000

London - £1 for every £7.66 above £25000

Home - £1 for every £7.88 above £25000

Example:

Household income of £55000. Student outside London
 $£55000$ less $£25000 = £30000$.

Divide by $£7.79 = £3851$

Maximum loan = $£8944$ less $£3851 = £5093$ receivable.

What will parents have to pay?

- Household income up to £42875 – none
- Household income of more– assessed contribution

Example: Household income of £55000
Student studying outside London

Contribution disregard (amount between 25000 and 42875)
 $£42875 - £25000 = £17875 / £7.79 = £2294$

Previous calculation = £3851 less £2294 = £1557

Student could receive £5093 + £1557 = £6650

Other Support

- University and college bursaries and scholarships
- NHS Bursaries
- Extra help for students in special circumstances, for example students with a disability
- Support for part-time courses.
