

## Welcome to GCSE Business Studies & Economics

### Knowledge and understanding

This GCSE specification requires you to:

Actively engage in the study of business and economics to develop as effective and independent learners and as critical and reflective thinkers with enquiring minds.

Use an enquiring, critical approach to distinguish facts and opinions, to build arguments and make informed judgments.

Develop and apply your knowledge, understanding and skills to contemporary issues in a range of local, national and global contexts.

Appreciate the range of perspectives of different stakeholders in relation to business and economic activities.

Consider the extent to which business and economic activity can be ethical and sustainable.

### Skills

The following are skills within business contexts you should expect to develop during the course:

- Practical skills – time management, personal organisation and action planning.
- Presentational skills – addressing audiences using a variety of media and forms.
- Personal skills – showing evidence of progression.
- Interpersonal skills – communication and group work.
- Cognitive skills – reflection and review of own and others' performances.

You will be provided with copies of PowerPoint slides and work sheets.

You will need an A4 file as well as pens, lined paper and a calculator.
